

Dear friend,

PLEASE READ SO YOU'RE NOT CONFUSED!

There are 10 books total in the series. **Below are the filenames for the core 10 books in the series:**

Book\_1\_Anastasia-s.pdf

Book\_2\_The\_Ringing\_Cedar\_of\_Russia-s.pdf

Book\_3\_The\_Space\_Of\_Love-s.pdf

Book\_4\_Co-creation-s.pdf

Book\_5\_Who\_Are\_We-s.pdf

Book\_6\_The\_Book\_Of\_Kin-s.pdf

Book\_7\_The\_Energy\_Of\_Life-s.pdf

Book\_8.1\_The\_New\_Civilization-s.pdf

Book\_8.2\_Rites\_Of\_Love-s.pdf

Book\_10\_Anasta-s.pdf

**UPDATE 9/15/2022 - These are now SEARCHABLE PDFs! Meaning, you can copy, paste, and search for the text within the files!**

The books above are all from the first edition, except book 10, which was only released with the third edition of the series.

**The third edition of book 1 is included in this download, it contains the additional chapter "Star Woman" that is NOT present in the first or second edition books.**

Lastly, Book 1 was updated in 2021 in Russia with many new chapters at the end. Included in this download are VERY ROUGHLY translated PDFs of those new chapters only. The information in them is incredible. The translation is not so good but it gets the job done.

I would also recommend PRINTING the books, as the physical book experience is highly preferred to the digital version.

Print them on your printer or you can use a PDF-to-Book printing service like this one:

Lastly, you can support the author Vladimir Megre by purchasing the third edition E-books from their official website, here: <https://megrellc.com/product-category/vladimir-megres-books/>

Happy reading! Blessings and joy!
